ISU WITHDRAWAL NOTIFICATION FORM

NAME: Ryan Zhi Jwen YEE COUNTRY: Malaysia

DATE: 10/9/11 EVENT: ISU junior GP Brisbane

ISU MEDICAL ADVISOR: _____

TEAM PHYSICIAN/OFFICIAL IRENE CHEOW

CHIEF MEDICAL OFFICER: Michael Potter

Reason for Withdrawal: pt has sustained a groin injury.
Prior to the competition his injury was very mild
and limited to his left groin. It did not affect his
performance until it became exacerbated during this
competition.

He now has a left and right sided groin injury
(adductor tendinitis) which has also caused some
ostitis pubis. I expect his injuries will take at least
2 months to resolve completely. During this time he
will need rest and physiotherapy. He has been treated
by myself and the event physiotherapist with minimal
improvement to date. Medically he should certainly
withdraw.
